VETERANS' MONTHLY BREAKFAST returns to USO BUILDING.

After a nearly two-year break, the popular Veterans' Breakfast is returning to the Historic USO Building on Thursday, April 21 at 8 am. This year, the delicious meal is graciously being provided by the local McDonald's restaurant, which is very honored to participate in this event. The meal is free to all local veterans and their spouses, and will be served from 8 to 9 am. As in the past, this event, held on the third Thursday of every month, is a great opportunity to catch up with old friends...and make new ones! The HSUMD is very proud to host this event for our brave and loyal veterans and their spouses. Come early!!

VETERANS' MONTHLY BREAKFAST returns **HISTORIC USO BUILDING**. After a nearly two-year break, the popular Veterans' Breakfast is returning to the Historic USO Building on Thursday, April 21 at 8 am. This year, the delicious meal is graciously being provided by the local McDonald's restaurant, which is very honored to participate in this event. The meal is free to all local veterans and their spouses, and will be served from 8 to 9 am. As in the past, this event, held on the third Thursday of every month, is a great opportunity to catch up with old friends...and make new ones! The HSUMD is very proud to host this event for our brave and loyal veterans and their spouses. Come early!!

WHY PLAN AHEAD?

Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

WHY ADVERTISE AT ALL?

Why Advertise In The Swap Sheet?

No one can tell your story like you can. During this time of economic uncertainty, we in the Indian Wells Valley have seen no major layoffs or reductions in forces from the Base, our largest employer.

For the most part, we have been shielded from the recession. We, however have not been immune to the fear that seems to drive some of our people's purchases.

Given that fact, we see people still making purchases of larger expensive items locally because this is a good place to raise a family, to enter a top rate school district and find affordable homes of excellent quality that are less expensive than almost anywhere in any metropolitan environment.

We have residents and potential residents looking here all the time. You must be in their line-of-sight to realize your maximum benefit, effective advertising that works does that.

We are the only avenue for advertising wherein realtor and many individual agents advertise every week.

We are the only avenue for advertising wherein EVERY auto dealer advertises every week.

When you have the two most expensive purchases any family will ever make advertised in one advertiser, that speaks to the effectiveness of your advertising dollar.

We want you to advertise consistently with us because you see results - not because you have signed a contract.

We had 234,963 hits so far online for the year 2021, thus print and online advertising is effective.

We deliver Swap Sheets on base, in and out-of-town, to all the hotels and motels in town to acquaint new potential buyers with the area.

We are the largest advertiser in the Valley for only one reason... Advertising in The Swap Sheet WORKS!
